- 1. Fireworks are prohibited in or within 100 feet of any undeveloped areas of the city.**
- 2. Fireworks are prohibited in or within 500 feet of any National Forest or BLM lands.**
- 3. Fireworks are prohibited within the designated areas shown on the map located on the reverse side of this notice (highlighted in yellow).**

All residents should use care and adult supervision when discharging fireworks in the authorized areas of the city.

If you start a fire, accidentally or intentionally, with legal or illegal fireworks, in any area of Utah, you will be responsible for the cost to fight the fire and any damages it causes. These fires are VERY expensive and dangerous to fight. Please do not put you, your family, or your neighbors at risk by the careless use of fireworks.
